III. The voting rights of Members shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date. A person who is not a member as on the cut-off date should treat this Notice of AGM for information purposes only.

IV. The facility for voting through an e-voting system shall also be made available during the AGM. Members attending the AGM who have not cast their vote by remote e-voting shall be eligible to cast their vote through e-voting during the AGM. Members who have voted through remote e-voting shall be eligible to attend the AGM; however, they shall not be eligible to vote at the AGM. Members holding shares in physical form are requested to access the remote e-voting facility provided by the Company through CDSL e-voting system at <https://evoting.cdslindia.com/Evoting/EvotingLogin>.

V. The Instructions of Shareholders for remote e-voting:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 9.00 A.M. (IST) on Monday, September 21, 2026, to 5.00 P.M. (IST) on Wednesday, September 23, 2026. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, September 17, 2026, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

10. General Information

It is reiterated that Members take utmost care to keep their password confidential and not to share their password with any other person.

11. Dividend

a. Key dates related to Dividend:

Record date (for determining the Members eligible for dividend)	Thursday, September 17, 2026
Date of payment	within 30 days from the conclusion of the AGM

b. Members holding shares in demat form are hereby informed that bank particulars registered with their respective DPs, with whom they maintain their demat accounts, will be used by the Company for the payment of dividends. Members holding shares in demat form are requested to intimate any change in their address and / or bank mandate to their DPs only, as the Company or its Registrar cannot act on any request received directly on the same.

c. **TDS on Dividend:** As per Indian Income Tax Act, 2025 (as amended by Finance Act, 2026) dividend paid and distributed by a Company is taxable in the hands of shareholders. Therefore, the Company is required to deduct taxes at source (TDS) at the rates applicable on the amount distributed to the shareholders at prescribed rates. For information on prescribed rates, shareholders are requested to refer to the Finance Act, 2026 and subsequent amendments thereof. The shareholders are requested to update their PAN details, tax residential status with RTA (in case of shares held in physical mode) and depository participants (in case shares held in demat mode). However, no tax shall be deducted on the dividend payable to a resident individual shareholder if the total dividend to be received during FY 2026-27 does not exceed 10,000. The withholding tax rate (TDS rate) would vary depending on the residential status of the shareholder and the documents submitted by them and accepted by the Company.

A declaration must be filed with the Company, where the whole or any part of the dividend income is assessable under the provisions of the Act in the hands of a person other than the member in accordance with the Rule 203 of the Income Tax Rules, 2026. The declaration must consist of Name, address, Income Tax PAN of the person to whom credit is to be given and payment or credit in relation to which credit has to be given and reason for giving credit to such person. In case the Company does not receive such declarations within 2 days from the record date, the Company reserves the right to reject such declaration. A resident individual shareholder with PAN who is not liable to pay income tax can submit a yearly declaration in Form 121 applicable w.e.f. April 1, 2026 as per Income Tax Act, 2025 (previously known as Form 15G/15H as per Income Tax Act, 1961). To avail the benefit of non-deduction of tax, members may update their details at forms to Company's RTA at admin@skylinerta.com by Thursday, September 17, 2026 (upto 6.00 p.m. IST). Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders [including Foreign Portfolio Investors (FPIs)] can avail beneficial rates under tax treaty between India and their country of residence subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 41 applicable w.e.f. April 1, 2026 as per Income Tax Act, 2025 (previously known as Form 10F as per Income Tax Act, 1961), any other document which may be required to avail the tax treaty benefits by updating details at admin@skylinerta.com. The said declarations need to be submitted by Thursday, September 17, 2026 (upto 6.00 p.m. IST).

The Company is not obligated to apply the beneficial Tax Treaty rates at the time of tax deduction/ withholding on dividend amounts. Application of beneficial Tax Treaty Rate shall depend upon the completeness of the documents submitted by the Non-Resident shareholder and review to the satisfaction of the Company. Shareholders who are exempted from TDS provisions through any circular or notification may provide documentary evidence in relation to the same, to enable the Company in applying the appropriate TDS on Dividend payment to such shareholder.

d. General guidelines for all Shareholders

- Where dividend is payable to shareholders holding shares in multiple categories (e.g., resident and non-resident) under the same PAN, the highest applicable tax rate will be applied to the entire dividend payout.
- In the event of any discrepancy in the documents submitted, or where required information is not provided, the Company shall deduct TDS at the higher of the applicable rates, without further communication.
- In the case of joint shareholding, the first named shareholder in the Register of Members shall be considered for tax purposes and must submit the relevant documents.

12. Other information

- The MCA had notified provisions relating to unpaid/ unclaimed dividend under Sections 124 and 125 of the Act and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these Rules, dividends which are not encashed/ claimed by the shareholder for a period of seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF) Authority. The IEPF Rules mandate the companies to transfer the shares of shareholders whose dividends remain unpaid / unclaimed for a period of seven consecutive years to the demat account of IEPF Authority. The details of the unpaid / unclaimed amounts lying with the Company as on September 11, 2025, (date of last AGM) are available on the website of the Company at <https://www.shrijagdamba.com/> and on MCA's website. Members are requested to encash / claim their respective dividends. The details of unpaid or unclaimed amounts lying with the Company as on March 31, 2026, shall be updated in due course. The Member(s) whose dividend/ shares are transferred to the IEPF Authority can claim their shares from the IEPF Authority by following the Refund Procedure as detailed on the IEPF website <http://iepf.gov.in/IEPF/refund.html>.
- Members are requested to contact Skyline Financial Services Limited at admin@skylinerta.com / Investor Service Department of the Company at admin@jagdambapolymers.com for encashing the unclaimed dividends standing to the credit of their account. The detailed dividend history and due dates for transfer to IEPF are available on 'Investor Relations' page on the website of the Company at <https://www.shrijagdamba.com/>.
- SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2021/655 dated November 3, 2021 (subsequently amended by Circular Nos. SEBI /HO /MIRSD /MIRSD_RTAMB/P/CIR/2021/687 dated December 14, 2021, SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 March 16, 2023 and SEBI/HO/MIRSD/POD-1/P/ CIR/2023/181 November 17, 2023) has mandated that with effect from April 1, 2024, dividend to security holders holding securities in physical form), shall be paid only through electronic mode. Such payment shall be made only after furnishing the PAN, choice of nomination, contact details including mobile number, bank account details and specimen signature.

Members are requested to update their KYC details by submitting the Investor Service Request (ISR) Forms, viz. ISR-1, ISR-2, ISR-3/SH-13, as applicable, duly complete and signed by the registered holder(s) and submit to Company's RTA, Skyline Financial Services Private Limited, at D-153 A, 1st Floor, Okhla Industrial Area, Phase - I, New Delhi - 110 020, or by email to admin@skylinerta.com from their registered email id on or before Thursday, September 10, 2026, so that the folios can be KYC updated before the cut-off date of Thursday, September 17, 2026. ISR Forms can be accessed from our website at <http://shrijagdamba.com/investor-relations/shareholder-services>.

- Regulation 40 of Listing Regulations, as amended, mandates that transfer, transmission and transposition of securities of listed companies held in physical form shall be affected only in demat mode. Further, SEBI, vide its Circular dated January 25, 2022, has clarified that listed companies, with immediate effect, shall issue the securities only in demat mode while processing investor service requests pertaining to issuance of duplicate shares, exchange of shares, endorsement, sub-division/ consolidation of share certificates, etc. In view of this as also to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to demat mode.

The amended Regulation 2 (1) (zc) of the Listing Regulations has also widened the definition of "related party transaction" to include, inter alia, a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Further, SEBI vide its Circular Nos. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/135 dated October 13, 2025 has introduced the Industry Standards on "Minimum information to be provided for review of the Audit Committee and shareholders for approval of a related party transaction" ("Standards") to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the Listing Regulations read with the SEBI Master Circular no. HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026 ("SEBI Circular"). The Standards inter alia requires listed entity to provide minimum information, in specified format, pertaining to the proposed Related Party Transaction(s) ("RPT"), to the Audit Committee and to the shareholders, while seeking approval.

It is in the above context that, Resolution No 7 is placed for approval of the Members of Shri Jagdamba Polymers Limited ("Company"/ "SJPL") along with necessary details on the proposed RPTs provided in this Statement.

Various transactions are proposed to be entered by and among the Company, its subsidiaries (including step-down subsidiaries) and their related parties, in the form of making investment, providing loans, sale and/or purchase of goods and/or services, providing security, various guarantee (including corporate guarantee and performance

guarantee in nature of security/contractual commitment), surety, indemnity or comfort letter, by whatever name called, which will enable the Company, its subsidiary, for the effective operations or bridging working capital gaps.

The aggregate of such RPTs for each of the Item No. 7 is likely to cross the applicable materiality thresholds as provided in Regulation 23 of the Listing Regulations. Accordingly, as per the Listing Regulations, prior approval of the Members is being sought for all such RPTs proposed to be undertaken by and among the Company, its subsidiary, considering the best interest of the Company. All the said transactions shall be in the ordinary course of business of the Company and on an arm's length basis.

The Audit Committee at its meeting held on September 02, 2026 has, on the basis of a thorough scrutiny of relevant details / documents provided by the Management and also of the mandatory disclosure which is required to be made to the Audit Committee in accordance with the Industry Standards on "Minimum Information to be provided to the Audit Committee and Shareholders for Approval of Related Party Transactions", reviewed and approved the said transaction(s), and recommended the same to the Board of Directors, subject to the approval of the Members, while noting that such transaction(s) shall be on arms' length basis and in the ordinary course of business of the Company. The Minimum Information as required under the said Standards is enclosed herewith as **Annexure-IV**.

Further, while approving the RPTs, the Audit Committee has reviewed the certificates provided by the Managing Director ("MD") and Chief Financial Officer ("CFO") of the Company as required under the Standards on RPT confirming that the terms of the proposed RPTs to be undertaken are in the interest of the Company and has also determined that the promoters will not benefit from the proposed RPTs at the expense of public shareholders. These RPTs were also placed before the Board of Directors on a voluntary basis and the same were approved by the Board.

For the purpose of calculating the total amount of proposed RPTs (as provided in resolution(s) under Item No. 7, we have considered FY 2025-26 as the 'preceding financial year'.

Members may note that in terms of the provisions of the Listing Regulations, the related parties as defined thereunder (whether such related party(ies) are a party to the aforesaid transactions or not), shall not vote in respect of Resolutions under Item No. 7.

Except as mentioned in the **Annexure -IV**, none of the Directors and Key Managerial Personnel of the Company and/or their respective relatives are, in any way, concerned or interested either directly or indirectly, financially or otherwise in the Resolution set out at Item No. 7 of the accompanying AGM Notice.

The Board of Directors recommends the Ordinary Resolutions set out at Item No. 7 of the accompanying AGM Notice for approval by the Members.

Item No 8

Pursuant to the provisions of the Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("Listing Regulations"), as amended, prior approval of shareholders is required to be obtained by means of an Ordinary Resolution for all material related party transaction(s), if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) the thresholds specified in Schedule XII of the Listing Regulations, even if such transactions are in the ordinary course of business of the Company and on an arm's length basis.

The amended Regulation 2 (1) (zc) of the Listing Regulations has also widened the definition of "related party transaction" to include, inter alia, a transaction involving a transfer of resources, services or obligations between a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, regardless of whether a price is charged or not.

Further, SEBI vide its Circular Nos. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/135 dated October 13, 2025 has introduced the Industry Standards on "Minimum information to be provided for review of the Audit Committee and shareholders for approval of a related party transaction" ("Standards") to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the Listing Regulations read with the SEBI Master Circular no. HO/49/14/14(8)2025-CFD-POD2/I/3862/2026 dated January 30, 2026 ("SEBI Circular"). The Standards inter alia requires listed entity to

provide minimum information, in specified format, pertaining to the proposed Related Party Transaction(s) ("RPT"), to the Audit Committee and to the shareholders, while seeking approval.

It is in the above context that, Resolution No 8 is placed for approval of the Members of Shri Jagdamba Polymers Limited ("Company"/ "SJPL") along with necessary details on the proposed RPTs provided in this Statement.

Various transactions are proposed to be entered by and among the Company, its subsidiaries (including step-down subsidiaries) and their related parties, in the form of making investment, providing loans, sale and/or purchase of goods and/or services, providing security, various guarantee (including corporate guarantee and performance guarantee in nature of security/contractual commitment), surety, indemnity or comfort letter, by whatever name called, which will enable the Company, its subsidiary, for the effective operations or bridging working capital gaps.

The aggregate of such RPTs for each of the Item No. 8 is likely to cross the applicable materiality thresholds as provided in Regulation 23 of the Listing Regulations. Accordingly, as per the Listing Regulations, prior approval of the Members is being sought for all such RPTs proposed to be undertaken by and among the Company, its subsidiary, considering the best interest of the Company. All the said transactions shall be in the ordinary course of business of the Company and on an arm's length basis.

The Audit Committee at its meeting held on September 02, 2026 has, on the basis of a thorough scrutiny of relevant details / documents provided by the Management and also of the mandatory disclosure which is required to be made to the Audit Committee in accordance with the Industry Standards on "Minimum Information to be provided to the Audit Committee and Shareholders for Approval of Related Party Transactions", reviewed and approved the said transaction(s), and recommended the same to the Board of Directors, subject to the approval of the Members, while noting that such transaction(s) shall be on arms' length basis and in the ordinary course of business of the Company. The Minimum Information as required under the said Standards is enclosed herewith as **Annexure-IV**.

Further, while approving the RPTs, the Audit Committee has reviewed the certificates provided by the Managing Director ("MD") and Chief Financial Officer ("CFO") of the Company as required under the Standards on RPT confirming that the terms of the proposed RPTs to be undertaken are in the interest of the Company and has also determined that the promoters will not benefit from the proposed RPTs at the expense of public shareholders. These RPTs were also placed before the Board of Directors on a voluntary basis and the same were approved by the Board.

For the purpose of calculating the total amount of proposed RPTs (as provided in resolution(s) under Item No. 8, we have considered FY 2025-26 as the 'preceding financial year'.

Members may note that in terms of the provisions of the Listing Regulations, the related parties as defined thereunder (whether such related party(ies) are a party to the aforesaid transactions or not), shall not vote in respect of Resolutions under Item No. 8.

Except as mentioned in **Annexure -IV**, none of the Directors and Key Managerial Personnel of the Company and/or their respective relatives are, in any way, concerned or interested either directly or indirectly, financially or otherwise in the Resolution set out at Item No. 8 of the accompanying AGM Notice.

The Board of Directors recommends the Ordinary Resolutions set out at Item No. 8 of the accompanying AGM Notice for approval by the Members.

Item No 9

Pursuant to the provisions of the Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("Listing Regulations"), as amended, prior approval of shareholders is required to be obtained by means of an Ordinary Resolution for all material related party transaction(s), if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, whether directly and/or through its subsidiary(ies), exceed(s) the thresholds specified in Schedule XII of the Listing Regulations, even if such transactions are in the ordinary course of business of the Company and on an arm's length basis.

Jain K S and Associates, Chartered Accountants, Ahmedabad (FRN: 160810W), as Statutory Auditors of the Company to hold office for a period of five consecutive years from the conclusion of 41st AGM up to the conclusion of 46th AGM to be held in the year 2029-30. There are no qualifications, reservations or adverse remarks or disclaimers made by the auditors in their report on the financial statements of the Company for the Financial Year ended March 31, 2026. The notes on the Financial Statements referred to in the Auditors' Report are self-explanatory and do not call for any comments or explanations.

Internal Auditor

The Board of Directors appointed Mr. Rutil Suthar, Senior Accountant, an employee of the Company as an Internal Auditor of the Company for the Financial Year 2025-2026 to conduct the Internal Audit of the Company. This strategic decision demonstrates our commitment to upholding and enhancing proper and effective internal financial control.

Further, the Board of Directors, at its meeting held on May 19, 2026, appointed Mr Sachin Solanki, Executive Accountant, employee of the company as the Internal Auditor of the Company for the financial year 2026-27.

Secretarial Auditor

Pursuant to the provisions of Regulation 24A of the SEBI (LODR) Regulations and Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board of Directors at their respective meeting held on May 28, 2025 appointed M/s. G. R. Shah & Associates, Company Secretaries, Ahmedabad (COP No.: 14446) as Secretarial Auditor to conduct the Secretarial Audit of the Company for a term of upto 5 (Five) consecutive years, to hold office from financial year 2025-26 till financial year 2029-30, as approved by the Members at the AGM held on September 11, 2025

The Secretarial Audit Report for the financial year ended March 31, 2026, pursuant to Section 204 of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed herewith as **ANNEXURE- G**. During the audit, the following observations were made by the auditor:

S.no.	Regulation/ Circular No.	Deviations	Corrective action/ Response of the Company
1.	Regulation 33 (3) (d) of SEBI (LODR) Regulations, 2015 and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/2023/120 dated July 11, 2023 (erstwhile SEBI Circular No. CIR/CFD/CMD/ 56/2016 dated May 27, 2016)	The company was required to submit the Declaration of Unmodified Opinion for the financial year ended March 31, 2025, but the financials were submitted with the exchange Declaration of unmodified opinion.	The compliance was made on the very day of receipt of advisory from the stock exchange for compliance where upon the stock exchange also marked it as resolved. It was not non-compliance per se.
2.	Regulation 33 of SEBI (LODR) Regulations, 2015	Delay in submission of XBRL of Financial Results for quarter and year ended for 31.03.2025	The Integrated Filing was submitted on the following day due to a technical issue encountered during the filing process. The delay was inadvertent in nature and did not affect the timely disclosure of the Financial Results.
3.	Regulation 33 of SEBI (LODR) Regulations, 2015	Figures of Cash and cash equivalents cash flow statement at beginning of period not given for Year Ended - March 2025."	The Standalone Cash Flow Statement XBRL was resubmitted after rectifying an inadvertent omission wherein the figure for "Cash and Cash Equivalents at the Beginning of the Period" was not mentioned. We confirm that there is no change in the audited financial figures as published earlier, and the resubmission is made solely to correct the XBRL file and it has been closed.

4.	Regulation 18(2) (b) of SEBI (LODR) Regulations.	Discrepancy/non-compliance related to Audit Committee quorum requirements under Regulation 18(2)(b) of SEBI (LODR) Regulations	The observation pertains to an inadvertent clerical error in the Corporate Governance Report for the quarter ended 31 December 2024, wherein the Audit Committee quorum was incorrectly disclosed as comprising one Independent Director instead of two Independent Directors. The Audit Committee meeting was duly constituted and conducted with the requisite quorum in compliance with Regulation 18(2)(b) of the SEBI (LODR) Regulations, 2015. The discrepancy was limited to the disclosure and did not result in any non-compliance. The Company has taken note of the observation and shall ensure greater accuracy in future filings.

ANNEXURE-- E MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Board of Directors is pleased to share with you the 'Management Discussion and Analysis Report' for the Financial Year ended on March 31, 2026.

1. Company Synopsis

Shri Jagdamba Polymers Limited is a BSE-listed manufacturer and exporter of technical textiles and polymer-based woven products, with a legacy spanning over four decades since its establishment in 1985 and listing in 1986. The Company's operations are centred on polypropylene (PP) and polyethylene/high-density polyethylene (PE/HDPE)-based applications, with particular expertise in woven and non-woven geotextiles.

With a strong export-oriented business model, the Company has established a presence across key international markets, including the USA, UK, UAE, Brazil, Canada, Morocco, Slovenia, South Africa and St. Kitts. Its manufacturing capabilities are supported by an ISO 9001:2015 certified quality management system, while its job-work operations enable it to provide customised manufacturing and processing solutions aligned with specific customer requirements. The Company continues to focus on quality, customised product development, technical specifications, timely delivery and continuous product innovation, strengthening its ability to serve diverse applications across infrastructure, agriculture, packaging, construction and industrial segments.

2. Global Economy Overview

The global economy in FY 2025-26 exhibited resilient but uneven growth, navigating persistent geopolitical tensions, evolving trade policies and a wave of technology-driven investment. According to the International Monetary Fund (IMF), global GDP expanded by an estimated 3.3% in 2025, with a similar growth rate of 3.3% projected for 2026, broadly matching the pace recorded in 2024. While this reflects continued resilience in the face of tariff-related disruptions and elevated uncertainty, growth remains below pre-pandemic historical averages, reflecting lingering structural headwinds, high debt levels and subdued productivity in several major economies.

According to the IMF World Economic Outlook Update (January 2026), the global economy maintained steady, broad-based growth through FY 2025-26. A marked divergence, however, persisted between advanced and emerging economies. Advanced Economies (AEs) registered subdued growth of 1.7% in 2025, with a modest recovery to 1.8% projected for 2026, weighed down by structural constraints, tighter-for-longer financial conditions and softer productivity outside technology-intensive sectors. In contrast, Emerging Market and Developing Economies (EMDEs) continued to outpace global averages, expanding by 4.4% in 2025 and a projected 4.2% in 2026, led by resilient domestic demand, technology-linked investment and policy support in major economies such as India and China.

Economy Group	2024	2025 (E)	2026 (P)
World Output	3.3%	3.3%	3.3%
Advanced Economies (AEs)	1.8%	1.7%	1.8%
Emerging Market & Developing Economies (EMDEs)	4.3%	4.4%	4.2%
India (FY basis)	6.5%	7.3%	6.4%

According to the International Monetary Fund's July 2026 World Economic Outlook Update, global growth is projected at 3.0% in 2026 and 3.4% in 2027, down from an average of 3.5% recorded over 2024-25. The IMF attributes the near-term softening to the drag from the war in the Middle East on energy-importing and vulnerable economies, which is being partly offset by an accelerated, demand-driven global technology investment cycle linked to artificial intelligence (AI) adoption. The impact is uneven — varying by a country's exposure to the conflict and its position in the technology value chain.

On prices, global headline inflation is projected to rise from 4.1% in 2025 to 4.7% in 2026 — a 0.3 percentage-point upward revision from the April 2026 WEO, driven mainly by higher energy and food costs — before easing to 3.9% in 2027. Inflation dynamics remain uneven across countries depending on exchange-rate pass-through and domestic price pressures.

Key risks to the global outlook during FY 2025-26 included:

- Escalation of geopolitical tensions in the Middle East and its impact on energy prices and shipping routes;
- Continued trade policy uncertainty and tariff realignments among major economies;
- Elevated public debt levels across several economies constraining fiscal space; and
- Volatility linked to rapidly shifting expectations around AI-driven technology investment.

Despite these headwinds, the global outlook for 2026-27 remains cautiously constructive, underpinned by continued technology-led investment, gradually easing financial conditions and the demonstrated adaptability of the private sector.

For companies such as Shri Jagdamba Polymers Limited, operating in the technical textiles industry as manufacturers and exporters, these global dynamics reinforce the continued importance of resilience, operational agility, diversification of markets, and prudent risk management to navigate an uncertain external environment while capitalising on opportunities arising from the sustained outperformance of emerging economies.

3. Indian Economy and Indian Technical Textile Overview and Outlook

India's economy accelerated in FY 2025-26, with real GDP growth estimated at 7.6% as per the National Statistical Office's Second Advance Estimates, up from 6.5% in FY 2024-25, driven by robust growth in services and a recovery in manufacturing. Nominal GDP for FY 2025-26 is estimated at approximately ₹345.47 lakh crore. Following a revision of the GDP base year to 2022-23, India has overtaken Japan to become the world's fourth-largest economy by nominal GDP, behind only the United States, China and Germany, and remains the fastest-growing major economy globally.

India's technical textiles sector continued to expand its export footprint. As per information provided by the Ministry of Textiles in the Lok Sabha in July 2026, the domestic technical textiles industry recorded exports of ₹29,217.60 crore in FY 2025-26 (up from ₹24,732.68 crore in FY 2024-25, a growth of approximately 18.1%), against imports of ₹25,797.40 crore, resulting in a net trade surplus of ₹3,420.20 crore for the sector.

On the policy front, the Ministry of Textiles' budgetary allocation has risen only marginally, from ₹5,272 crore in FY 2025-26 to ₹5,279.01 crore in FY 2026-27, while the Production-Linked Incentive (PLI) Scheme for Textiles has been allocated ₹405 crore for FY 2026-27 to support man-made fibre (MMF) apparel, MMF fabrics and technical textiles manufacturing. Export-linked support continues through the RoDTEP scheme, extended until 30 September 2026, while India's trade-agreement architecture has widened further with the India-UK CETA now in force, the conclusion of India-EU FTA negotiations, and the signing of a New Zealand FTA — collectively improving market access and competitiveness for Indian technical textile exporters, including the Company.

It is notable that while the Indian technical textiles sector as a whole grew exports by ~18.1% in FY 2025-26, the Company's own standalone revenue from operations declined by approximately 13.5% over the same period (see Review of Operations). This divergence suggests the decline reflects Company-specific factors rather than a sector-wide contraction, and is analysed further under Key Developments and Review of Operations below.

INDIA TECHNICAL TEXTILES MARKET HIGHLIGHTS

- India contributed 9.9% to the global technical textiles market revenue in 2025, reflecting its steadily growing presence on the global stage.
- Among Asian countries, India remains one of the most promising markets, driven by government initiatives like the National Technical Textiles Mission (NTTM) and increasing private sector investments.
- While other countries in Asia Pacific continue to show growth, India's expanding domestic demand, policy support, and innovation ecosystem position it as a key player in shaping the future of technical textiles.
- Exports of technical textiles rose by approximately 18.1% in FY 2025-26, reaching ₹29,217.60 crore, up from ₹24,732.68 crore in FY 2024-25 — a five-year CAGR of nearly 12.7% over the FY 2020-21 base of ₹16,100.50 crore. With imports at ₹25,797.40 crore, the sector recorded a healthy trade surplus of ₹3,420.20 crore in FY 2025-26.
- India's exports of technical textiles to the UK are projected to rise to USD 1 billion by 2030, up from the current level of USD 240 million, following the India-UK Comprehensive Economic and Trade Agreement (CETA) coming into force on 15 July 2026. The elimination of the erstwhile 12% UK tariff is expected to provide a major boost to Indian manufacturers by improving market access and enhancing competitiveness in high-value technical textile categories such as geotech, medtech, protech and agrotech.

GOVERNMENT INITIATIVES TO BOOST TECHNICAL TEXTILES MARKET

The Government of India continues to support the growth of the technical textiles sector through policy interventions focused on strengthening domestic manufacturing, promoting innovation and research, developing infrastructure, reducing import dependence and enhancing export competitiveness.

Key Government Initiatives

Budget Allocation

The Ministry of Textiles has been allocated **₹5,279.01 crore for FY 2026-27**, compared with a revised estimate of ₹5,766.68 crore for FY 2025-26. The **National Technical Textiles Mission (NTTM)** has received a dedicated allocation of **₹256 crore** for FY 2026-27.

Production-Linked Incentive (PLI) Scheme

The PLI Scheme for Textiles, launched in 2021 with an outlay of **₹10,683 crore** and extended through FY 2029-30, continues to support domestic manufacturing. The scheme has approved **170 companies** and notified **225 products** across MMF Apparel, MMF Fabrics and Technical Textiles.

National Technical Textiles Mission (NTTM)

The NTTM continues to promote research and development, innovation, skill development, market development and awareness. Under the GREAT scheme, **31 start-ups** have received grant support aggregating **₹15.40 crore**.

PM MITRA Parks

The PM Mega Integrated Textile Regions and Apparel (PM MITRA) Parks initiative aims to establish integrated and plug-and-play textile manufacturing ecosystems. Each park entails an estimated investment of approximately **₹10,000 crore** and is expected to generate employment opportunities for approximately **3 lakh persons**.

Export Support and Incentives

Export-linked schemes such as **RoDTEP** and **RoSCTL** continue to support India's textile exporters. Technical textile exports increased by approximately **18.1% year-on-year to ₹29,217.60 crore in FY 2025-26**, resulting in a **trade surplus of ₹3,420.20 crore**.

Import Substitution and Technology Localisation

The Government is considering measures to reduce dependence on imported technical textile machinery. Proposals such as a **7% interest subsidy for domestic machinery manufacturing** are aimed at strengthening local manufacturing capabilities.

India-UK CETA

The India-UK Comprehensive Economic and Trade Agreement (CETA), which came into force on **15 July 2026**, provides **100% duty-free access across 1,143 tariff lines** for Indian textiles and clothing, creating additional opportunities for technical textile exporters.

Outlook

These initiatives are expected to strengthen India's technical textiles ecosystem by supporting **domestic capacity creation, innovation, infrastructure development, technology localisation and export growth**.

The Government's continued policy support is aligned with India's ambition to achieve **USD 40–45 billion in technical textile output by 2030**, strengthening India's position as a competitive global alternative under the “China-plus-one” sourcing strategy.

4. Road Ahead

The Indian technical textiles industry is entering a phase of application-led and technology-driven growth, with increasing adoption of engineered textile solutions across infrastructure, construction, agriculture, industrial packaging and other performance-sensitive applications. India's technical textiles market is estimated at approximately US\$22.7 billion in 2026 and is projected to reach US\$34.4 billion by 2033, reflecting a CAGR of around 6.1%.

5. Key Developments in FY 2025-26

The most significant development during FY 2025-26 was the full-year consolidation of Global Polyweave Private Limited following the increase in the Company's stake from 55% to 80%, completed pursuant to a rights issue that the Company subscribed to in full.

6. Review of Operations

Income and Revenue

Standalone total revenue from operations declined to ₹41,644.98 lakhs in FY 2025-26 from ₹48,147.81 lakhs in FY 2024-25, a decrease of approximately 13.5%.

The decrease in turnover during the period was primarily attributable to the impact of the US tariff measures, which resulted in increased costs. Consequently, the adverse impact of the US tariffs on market demand and trade conditions contributed significantly to the reduction in turnover compared with the previous period.

Chart 4: Total Income — Standalone (₹ Lakhs), Three-Year Trend

Expenses

Total expenses declined to ₹38,080.54 lakhs from ₹42,601.53 lakhs in the previous year (down 10.6%), broadly in line with the scale-down in manufactured-goods volumes, though the decline in expenses (10.6%) was smaller than the decline in manufactured-goods revenue (15.3%), indicating some margin compression at the operating level.

Profitability

Profit Before Tax, before the exceptional item, declined by 16.0% to ₹5,451.71 lakhs from ₹6,492.12 lakhs in the previous year. PBT stood at ₹5,737.53 lakhs, a decline of 11.6% over the previous year's ₹6,492.12 lakhs.

Total tax expense for the year was ₹1,598.90 lakhs, down from ₹1,682.44 lakhs in the previous year. Profit After Tax (standalone) declined by 13.9% to ₹4,138.63 lakhs, compared to ₹4,809.68 lakhs in FY 2024-25.

Chart 5: Profit After Tax — Standalone (₹ Lakhs), Three-Year Trend

**Earnings per Share (EPS)**

EPS (basic and diluted, face value ₹1 each) declined to ₹47.26 in FY 2025-26 from ₹54.92 in the previous year, a decrease of 13.9%, mirroring the movement in PAT as the Company's share capital remained unchanged during the year.

Exports Performance

During FY 2025-26, the Company's export turnover stood at Rs. 36,008.33 lakhs, as compared to Rs. 45,196.20 lakhs in FY 2024-25, registering a decrease of 20.33% over the previous financial year. The decline in exports was primarily attributable to prevailing market conditions and fluctuations in global demand. Despite the challenging external environment, the Company continues to focus on strengthening its international presence and exploring opportunities to expand its export business.

7. Segment-wise Performance

The Company continues to operate in only one reportable business segment, namely the manufacturing of Technical Textiles.

8. Outlook

As Shri Jagdamba Polymers Limited enters FY 2026-27, the Company's outlook is shaped by continuing growth in India's technical textiles sector.

The Company's near-term priorities are expected to include stabilising and rebuilding manufactured-goods volumes, integrating and improving the performance of its now-majority-owned subsidiary, Global Polyweave Private Limited, and continuing to benefit from policy tailwinds such as the PLI Scheme, RoDTEP, and an expanding set of Free Trade Agreements (India-UK CETA, EU FTA, New Zealand FTA).

These statements regarding the Company's outlook are forward-looking in nature and are based on management's current expectations and assumptions about future events; actual results could differ materially. [Management confirmation required] on specific FY 2026-27 guidance, capacity-utilisation plans, or targeted end-markets for inclusion in the final Annual Report.

9. Opportunities and Threats**Opportunities**

- ❖ **Structural Demand from Infrastructure & Geotextiles:** Continued highway, railway, drainage and erosion-control activity is expanding demand for compliant woven and non-woven geotextile products.
- ❖ **Expanding Export Access through New Trade Agreements:** India-UK CETA, India-EU FTA and New Zealand FTA are creating wider market access and export opportunities.
- ❖ **Continued Policy Tailwinds:** PLI, NTTM, PM MITRA Parks and RoDTEP continue to support scale-up, competitiveness and export growth.
- ❖ **Import Substitution and "China-Plus-One" Sourcing Shift:** India's push for import substitution and global sourcing diversification create opportunities for established Indian exporters.
- ❖ **Value-Added and Sustainability-Led Product Development:** Growing demand for performance-based, durable and recyclable technical textiles supports higher-value and customised product development.

Threats

- ❖ **Raw Material and Energy Price Volatility:** HDPE, PP and other petrochemical-based inputs remain exposed to crude-oil and energy-price swings, which may increase input, freight and logistics costs.
- ❖ **Currency and Trade Policy Exposure:** The Company's export-oriented operations remain exposed to rupee volatility, tariff realignments and trade-policy changes in key markets.
- ❖ **Intensifying Competition:** Rising competition from domestic players and low-cost manufacturing hubs may put pressure on pricing and margins, particularly in commoditised product categories.

OPPORTUNITIES	THREATS
● Infrastructure & geotextiles ● Trade agreements ● Policy tailwinds ● China-plus-one ● Value-added & sustainability	● Raw material & energy volatility ● Currency & trade policy ● Intensifying competition

10. Conclusion

FY 2025-26 was a year of consolidation and moderation for Shri Jagdamba Polymers Limited. While standalone revenue and profitability declined from the strong levels achieved in FY 2024-25, the Company strengthened its balance sheet, released working capital, reduced borrowings, and deepened its strategic investment in Global Polyweave Private Limited, increasing its stake to 80% and bringing the subsidiary into full-year consolidation. The Group's consolidated results reflect the near-term drag of the subsidiary's start-up losses set against a sizeable increase in consolidated fixed assets, suggestive of capacity built for future growth.

The Company remains positioned to participate in the structural growth of India's technical textiles sector — supported by policy initiatives such as the PLI Scheme, NTTM and PM MITRA Parks, and an expanding network of Free Trade Agreements — provided it addresses the Company-specific factors behind the FY 2025-26 revenue decline and successfully integrates and stabilises its subsidiary. Continued discipline on raw-material cost management, working capital, and capital allocation will remain central to sustaining the Company's export-oriented, HDPE/PP-focused business model.

Discipline on raw-material cost • working capital • capital allocation

11. Human Resources and Industrial Relations

Industrial relations continue to remain cordial during the year and total 1237 employees are on the Company's payroll as on March 31, 2026, as compared to 1303 employees on the Company's payroll as on March 31, 2025.

12. Internal Control

The Company has an adequate internal control system for safeguarding the assets and financial transactions of the Company. The strong internal control systems have been designed in such a way that, not only it prevents fraud and misuse of the Company's resources but also protect shareholder's interest.

13. Accounting Policies

The Company's accounting policies have been consistently applied and are consistent with those used in the previous year. The financial statements have been prepared under the historical cost convention on an accrual basis. The management accepts responsibility for the integrity and objectivity of the financial statements, as well as for the various estimates and judgments used therein.

With effect from 21 November 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes collectively referred to as the 'New Labour Codes'. Based on the review of existing wage structure, the Company has estimated that there is no material impact on the standalone financial statements due to these New Labour Codes.

14. Disclosure of Accounting Treatment in Preparation of Financial Statements

The Company has followed all relevant Accounting Standards laid down by the Institute of Chartered Accountants of India (ICAI) and prescribed under Section 133 of the Companies Act, 2013 while preparing its financial statements. The consolidated financial statements have additionally been prepared in accordance

with Indian Accounting Standard (Ind AS) 110 on 'Consolidated Financial Statements' and include the results of the Company's subsidiary, Global Polyweave Private Limited.

FORM MR-3
SECRETARIAL AUDIT REPORT

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SHRI JAGDAMBA POLYMERS LIMITED
Harmony, 4th Floor, 15/A, Shree Vidhyanagar Co. Op.
Hsg. Soc. Ltd. Opp. Nabard, Nr. Usmanpura Garden,
Ahmedabad-380014.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHRI JAGDAMBA POLYMERS LIMITED** (CIN: L17239GJ1985PLC007829) (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to me and the representations made by the management, I hereby report that in my opinion, the Company has, during the audit period ended on March 31, 2026 ("Audit Period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026, and made available to me according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder as applicable;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment, and External Commercial Borrowings; **Not applicable to the company for the financial year ended March 31, 2026**
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

STEPS TAKEN OR IMPACT ON CONSERVATION OF ENERGY

The Company continues to prioritise energy conservation by adopting innovative measures to reduce wastage and optimise consumption. These efforts are integral to our sustainability goals and are implemented across all operational units.

In FY 2025–26, the Company's purchased electricity consumption reduced to **184.61 lakh units** from **194.06 lakh units** in FY 2024–25, reflecting improved energy efficiency despite higher production levels.

Key highlights for the year include:

a. Optimised purchased electricity consumption:

Purchased electricity consumption (after deducting solar and windmill power generation) reduced to 184.61 lakh units during FY 2025–26 from 194.06 lakh units in FY 2024–25, reflecting the Company's continued focus on energy conservation and efficient power utilisation.

b. Increased captive power generation:

Own power generation increased significantly from 15,706 units in FY 2024–25 to 22,604.40 units in FY 2025–26, demonstrating enhanced utilisation of captive power facilities to ensure uninterrupted operations and improve energy reliability.

c. Enhanced contribution from renewable energy sources:

Electricity generation from the Company's windmill turbine increased substantially to 39.06 lakh units during FY 2025–26 from 11.09 lakh units in the previous year. Solar power generation remained stable at 12.29 lakh units (FY 2024–25: 12.91 lakh units), reinforcing the Company's commitment to sustainable and renewable energy utilisation.

**d. Continued focus on energy efficiency:**

The Company continued implementing various energy conservation initiatives, including optimum utilisation of electrical equipment, regular preventive maintenance of machinery, and effective load management to minimise energy losses and improve operational efficiency.

e. Adoption of energy-efficient lighting systems:

The Company continued to utilise energy-efficient LED lighting across its manufacturing facilities and administrative premises, thereby reducing overall electricity consumption and improving energy efficiency.

f. Strengthening sustainable energy infrastructure:

The Company continued to leverage its 3.5 MW Wind Power Plant and 7.3 MW Solar Power Plant, thereby reducing dependence on conventional grid power, increasing the share of renewable energy in its overall power consumption, and supporting its long-term environmental sustainability objectives.

The steps taken by the Company for utilising alternate sources of energy

The Company completed the implementation of its 6.4 MW Solar Photovoltaic (PV) Plant on March 31, 2026. The successful implementation of the project marks a significant milestone in the Company's commitment towards sustainable and energy-efficient operations.

The solar power plant is expected to reduce the Company's dependence on conventional sources of energy, improve energy efficiency, optimise operating costs, and support the renewable energy objectives of the Government of India and the Government of Gujarat. Going forward, the project is also expected to contribute to reducing the Company's carbon footprint, generating long-term cost savings, and promoting sustainable business operations while supporting the development of clean energy infrastructure.

The Capital investment on energy conservation equipment

During the year, the Company continued investments in efficiency-enhancing equipment, such as capacitor banks and LED systems, resulting in tangible reductions in energy consumption and operational costs.

TECHNOLOGY ABSORPTION**1. Efforts towards technology absorption, adaptation & innovation**

The Company continued its use of advanced virtual simulation and durability testing for new products and processes. This approach allows for faster development cycles, improved product reliability, and reduced wastage of materials and energy during trials.

2. Benefits derived

These measures have resulted in notable savings in energy consumption and contributed to reduced production costs, improving operational efficiency and competitiveness.

3. Technology imported- Nil.**4. Expenditure on Research and Development**

No direct expenditure on R&D was incurred during the year; however, the Company remains committed to process and product improvements through technology adaptation and stringent quality controls.

Research & Development

While the Company does not maintain a dedicated R&D department, it operates a fully functional quality control department that ensures products meet the highest standards. The Company's ISO 9001:2015 certification confirms its adherence to globally recognised quality management systems.

By maintaining its focus on sustainability, technology adoption, and quality assurance, the Company continues to strengthen its market position while contributing to environmental preservation.

**Future Outlook**

The Company will continue expanding its renewable energy portfolio, with the 6.4 MW Solar PV Plant expected to significantly enhance in-house generation upon completion. Focus will remain on increasing energy efficiency through advanced monitoring, high-efficiency equipment, and automation. Additional wind and solar projects, adoption of smart energy management tools, and alignment with sustainability policies will further reduce carbon footprint, lower costs, and strengthen the Company's position as an environmentally responsible industry leader.

CORPORATE GOVERNANCE REPORT
As per Regulation 34 (3) read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

1. Company's Philosophy on Corporate Governance: -

We, at Shri Jagdamba Polymers Limited, our Corporate Governance philosophy is built on the principles of integrity, transparency, accountability, and long-term stakeholder value. We recognize that sound governance is not just a regulatory requirement but a strategic enabler of sustainable business success and ethical leadership.

- **Accountability:** Our governance standards are designed to exceed statutory requirements and reflect global best practices.
- **Ethical Leadership and Integrity:** Business is conducted with integrity, fairness, and in compliance with applicable laws and regulations.
- **Transparency and Disclosure** We maintain high degree of disclosure and transparency; whereby financial and operational disclosures are made in a timely and accurate manner to maintain stakeholder trust.
- **Independent and Effective Board Oversight** Our Board of Directors is composed of a balanced mix of executive, non-executive, and independent directors. The Board actively oversees management's performance and ensures that decisions are made in the best interest of the Company and its stakeholders.
- **Stakeholder-Centric Governance:** We respect shareholder rights and engage constructively with all stakeholders.
- **Risk Management and Internal Controls:** Risks are identified and reviewed periodically to safeguard the company's interests.
- **Sustainability and Social Responsibility** Our governance model integrates environmental and social responsibility into strategic decision-making. We are committed to sustainable business practices, community development, and environmental stewardship.
- **Continuous Improvement and Capacity Building:** Governance practices are reviewed periodically to ensure they remain effective and relevant.

In summary, Shri Jagdamba Polymers Limited's philosophy on corporate governance is centered around building a strong foundation of ethical behaviour, transparency, and accountability. This approach is designed to ensure that the Company operates in a responsible manner, maintains stakeholder trust, and supports sustainable growth and success.

2. Board of Directors

The Board of Directors serves as a guiding force in our organization, overseeing our strategic direction, evaluating management policies, and protecting the long-term interests of our shareholders. Through their expertise, experience, and commitment, the Board ensures that the Company operates in a manner that is both responsible and sustainable. We extend our gratitude to our Board members for their invaluable contributions and unwavering dedication to upholding the highest standards of corporate governance.

a) Composition of the Board

The Board is structured to include a balanced combination of Executive and Non-Executive Directors, as mandated by the Act and the SEBI Listing Regulations. This composition ensures that the Board operates with a diverse range of perspectives, enabling effective decision-making and fostering accountability. The presence of Non-Executive Directors, who are not involved in day-to-day operations, helps maintain the independence of the Board and reduces any potential conflicts of interest.

As on March 31, 2026, the Board of Directors of our esteemed company comprised a total of six directors, reflecting a balanced mix of Executive and Independent Directors. This composition is in line with the principles outlined in the Companies Act, 2013, and the SEBI Listing Regulations, ensuring a robust governance structure and maintaining the independence of the Board.

Executive Directors

Out of the six Directors, three Directors hold executive positions within the Company. These Executive Directors bring a wealth of knowledge and experience to the Board, having expertise in their respective functional areas. Their active involvement in the day-to-day operations of the Company allows for effective decision-making and ensures alignment with the strategic objectives of the organization.

Independent Directors

In addition to the Executive Directors, our Board also consists of Two Independent Directors. These Independent Directors are individuals who are not associated with the day-to-day operations of the Company. Their independent status ensures that they can provide objective advice and unbiased oversight. Their diverse backgrounds and extensive experience enable them to contribute valuable insights, challenge existing assumptions, and offer independent perspectives to the Board's deliberations.

The name, category, interpersonal relationship of the Directors on the Board and other details as on March 31, 2026, are given below:

S.No	Regulation/Circular No.	Deviations	Corrective action/ Response of the Company
1.	Regulation 33 (3) (d) of SEBI (LODR) Regulations, 2015 and SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/2023/120 dated July 11, 2023 (erstwhile SEBI Circular No. CIR/CFD/CMD/56/2016 dated May 27, 2016)	The company was required to submit the Declaration of Unmodified Opinion for the financial year ended March 31, 2025 but the financials were submitted with the exchange Declaration of unmodified opinion.	The compliance was made on the very day of receipt of advisory from the stock exchange for compliance where upon the stock exchange also marked it as resolved. It was not non-compliance per se.
2.	Regulation 33 of SEBI (LODR) Regulations, 2015	Delay in submission of XBRL of Financial Results for quarter and year ended for 31.03.2025	The Integrated Filing was submitted on the following day due to a technical issue encountered during the filing process. The delay was inadvertent in nature and did not affect the timely disclosure of the Financial Results.
3.	Regulation 33 of SEBI (LODR) Regulations, 2015	Figures of Cash and cash equivalents cash flow statement at beginning of period not given for Year Ended – March 2025.”	The Standalone Cash Flow Statement XBRL was resubmitted after rectifying an inadvertent omission wherein the figure for “Cash and Cash Equivalents at the Beginning of the Period” was not mentioned. We confirm that there is no change in the audited financial figures as published earlier, and the resubmission is made solely to correct the XBRL file and it has been closed.
4.	Regulation 18(2) (b) of SEBI (LODR) Regulations.	Discrepancy/non-compliance related to Audit Committee quorum requirements under Regulation 18(2)(b) of SEBI (LODR) Regulations	The observation pertains to an inadvertent clerical error in the Corporate Governance Report for the quarter ended 31 December 2024, wherein the Audit Committee quorum was incorrectly disclosed as comprising one Independent Director instead of two Independent Directors. The Audit Committee meeting was duly constituted and conducted with the requisite quorum in compliance with Regulation 18(2)(b) of the SEBI (LODR) Regulations, 2015. The discrepancy was limited to the disclosure and did not result in any non-compliance. The Company has taken note of the observation and shall ensure greater accuracy in future filings.

S.no.	Regulation/Circular No.	Deviations	Corrective action/ Response of the Company
1.	Regulation 6 of SEBI (LODR) Regulations, 2015	The Company has non-complied with requirement to appoint a qualified company secretary as the compliance officer	The Compliance officer was appointed on January 4, 2024. As per the practice followed by the stock exchange, penalty for non-compliance under Regulation 6(1) was calculated on a quarterly basis and was thereby received after March 2024 quarter amounting to Rs. 3000 plus 18% GST for the three-day delay in the said quarter. The said penalty has been duly paid, and the matter now stands fully complied with.
2.	Regulation 33 of the SEBI (LODR) Regulations, 2015	The Company was required to submit the Statement of Impact of Audit Qualification or Declaration of unmodified audit report in XBRL for the year ended March 31, 2024, but the financials were submitted with the exchange without Statement of Impact of Audit Qualifications or Declaration of unmodified opinion.	The Company received the stock exchange's advisory on June 5, 2024, to submit the Statement on Impact of Audit Qualifications or Declaration of unmodified audit report (as applicable) in XBRL mode immediately. The Compliance was ensured immediately.
3.	Regulation 29 of the SEBI (LODR) Regulations, 2015	Intimation regarding the Board Meeting held on 30th August 2024, for the purpose of considering and declaring dividend was submitted to the Stock exchange(s) on 28th August 2024, thereby providing only one clear working days' notice.	The delay in providing the requisite intimation was due to inadvertent oversight. The company acknowledges this lapse and sincerely regrets the same. We have reviewed our internal compliance procedures and have initiated corrective measures to strengthen our processes to ensure timely and accurate disclosures in accordance with SEBI regulations going forward.

**INDEPENDENT AUDITOR'S REPORT**

To
The Members of
SHRI JAGDAMBA POLYMERS LIMITED

Report on the Audit of the Standalone Financial Statements**Auditor's Opinion**

We have audited the accompanying Standalone financial statements of Shri Jagdamba Polymers Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the statement of Profit and Loss (including Other Comprehensive income), statement of changes in equity and statement of cash flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind As") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, profit, total comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined any matters to be the key audit matters to be communicated in our report.

Information Other than the financial statements and Auditor's report thereon

The Company's Management and Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Financial Statement**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Pursuant to the program, certain property, plant, equipment were physically verified by the Management during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in the standalone financial statements are held in the name of the Company as at the balance sheet date.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant, Equipment (including Right of use assets) and intangible Assets during the year ended on March 31, 2026.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) Inventory:

- (a) The inventories were physically verified by the Management during the year at reasonable intervals (Except stock in transit and stock laying with third party). In our opinion and according to the information and explanations given to us, the frequency of verification, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of Rs. 5 Crores, in aggregate, from banks on the basis of security of current assets. The quarterly returns or statements of current assets comprising stock and creditor statements, book debt statements and other stipulated financial information filed by the Company with such banks are generally in agreement with the books of account of the Company.

(iii) **Loans/Advances/Investments given by the Company:**

(iv) **Loans to directors & Investment by the Company:**

In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

(v) **Deposits**

The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

(vi) **Cost records:**

The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.

(vii) **Statutory Dues:**

- (a) According to the information and explanations given to us and based on records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of Provident Fund, Income Tax, Customs Duty, Cess, income tax deducted at source, Goods and Service Tax and other material statutory dues, as applicable. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) Detail of dues of Goods and Service Tax, Income-tax, Sales Tax, Service Tax, Customs Duty, Goods and Service Tax, Excise Duty and Value Added Tax which have not been deposited as on March 31, 2026 on account of disputes are given below:

The Central Excise Act, 1944	Service tax credit.	3.31	2013-2014	Before Asst. Commissioner Central Excise.
		5.11	2014-2015	
		1.04	2015-2016	
Income Tax Act, 1961	Income Tax	32.53	2023-24	Commissioner of Income Tax (Appeals)

(viii) **Unrecorded income**

According to the information and explanations given to us and the records of the Company examined by us, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix) **Repayment of Loans:**

- (a) In our opinion, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loan during the year for the purpose for which they have obtained.
- (d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures.

- (x) **Utilization of IPO & FPO and Private Placement and Preferential issues:**
- (a) During the year, Company has not raised any money through Initial Public Offer or Further Public Offer (including debt instruments). Accordingly, reporting under paragraph 3 clause (x)(a) of the order does not arise
 - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally). Hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- (xi) **Reporting of Fraud:**
- (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
 - (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
 - (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, there were no whistle blower complaints Received by the Company during the year and up to the date of this report. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- (xii) **NIDHI Company:**
The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) **Related Party Transaction:**
The Company has entered into transactions with related parties in compliance with the provisions of Section 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements as required under IND AS "Related Party Disclosures" specified under Section 133 of the Act.
- (xiv) **Internal Audit:**
- (a) The Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- (xv) **Non-Cash Transaction:**
According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence paragraph 3(xv) of the Order is not applicable.
- (xvi) **Register under RBI Act, 1934:**
The company is not carrying any activities which require registration under section 45-IA of the Reserve Bank of India Act, 1934 and hence the provisions para 3(xvi) (a) to (d) of the Order referred to in Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act does not apply to the company.
- (xvii) **Cash Losses:**
The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) **Auditor's resignation:**

According to the information and explanations given to us and on the basis of the records examined by us, the previous statutory auditor resigned with effect from August 14, 2025. The outgoing auditor has not raised any issues, objections or concerns in their resignation letter or otherwise.

(xix) **Financial Position:**

According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) **Corporate Social Responsibility:**

(b) In respect of ongoing projects, the company does not have any unspent corporate social responsibility (CSR) amount as at the end of the previous financial year and also at the end of the current financial year. Hence, reporting under this clause is not applicable for the year.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SHRI JAGDAMBA POLYMERS LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the standalone financial statements of Shri Jagdamba Polymers Limited ('the Company') as at and for the year ended March 31, 2026, we have also audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**Notes to the Standalone financial statements for the year ended 31st March, 2026****COMPANY INFORMATION / OVERVIEW:**

Shri Jagdamba Polymers Limited ("the Company") is a public limited Company established in the year 1985 and its equity shares are listed on BSE Limited, (Bombay Stock Exchange). The registered office of the Company is situated at HARMONY, 4th Floor, 15/A, SHREE VIDHYANAGAR CO.OP. HSG. SOC. LTD. OPP. NABARD, NR. USMANPURA GARDEN, Ahmedabad 380014 Gujarat, India. The Company is engaged in the business of technical textiles such as Geo-textile, Construction Membranes and other Industrial packing products made from PP woven and non-woven fabrics and bags.

The financial statements for the year ended March 31, 2026 were approved by the Board of Directors and authorized for issue on May 19, 2026.

SIGNIFICANT ACCOUNTING POLICES:

This note provides a list of the significant accounting policies adopted by the company in the preparation of these financial statements. These policies have been consistently applied to all the years presented in these financial statements, unless otherwise stated.

• BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use. These Financial Statements are presented in Indian Rupees, which is also the Company's functional currency and all amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

The Company follows the mercantile system of accounting and recognizes incomes and expenditures on accrual basis. The accounts are prepared on historical cost basis, as a going concern, and are consistent with accounting principles generally accepted in India.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle which is based on the nature of the products and the time elapsed between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

• CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of sale/lease
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after reporting period the reporting period.

All other assets are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle."

• LEASES

The Company, as a lessee, recognises a right-of-use asset and a corresponding lease liability for its leasing arrangements at the commencement date, if the contract conveys the right to control the use of an identified asset. The right-of-use asset is initially measured at cost, comprising the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and, where applicable, an estimate of costs to dismantle, remove or restore the underlying asset or the site on which it is located.

The right-of-use asset is subsequently measured at cost less accumulated depreciation and accumulated impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of the lease term and the useful life of the underlying asset, unless ownership of the underlying asset transfers to the Company or the Company is reasonably certain to exercise a purchase option, in which case the right-of-use asset is depreciated over its useful life.

The Company measures the lease liability at the present value of lease payments that are not paid at the commencement date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If the interest rate implicit in the lease cannot be readily determined, the Company uses its incremental borrowing rate.

For short-term leases and leases of low-value assets, the Company has elected to apply the recognition exemptions available under Ind AS 116 and recognises the lease payments as an expense on a straight-line basis over the lease term, unless another systematic basis is more representative of the pattern of benefit derived from the leased asset.

The Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease."

• ROUNDING OF AMOUNTS

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs, unless otherwise stated.

• REVENUE RECOGNITION

Revenue is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. . However, Goods and Services tax (GST) are not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

- **Sale of Goods** - Revenue from sales is recognized when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably expected. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

- **Sale of Services** - The Company recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.
- **Other income**
- **Interest** - For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

• **PROPERTY, PLANT & EQUIPMENT**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non –Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as “Capital Work in Progress.”

• **DEPRECIATION/ AMORTISATION**

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Depreciation on additions/deletions to Property plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on Property plant and equipment arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation on refurbished/revamped Property plant and equipment which are capitalized separately is provide for over the reassessed useful life

- **IMPAIRMENT OF ASSETS**

Property, Plant & Equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less cost of disposal and value in use.

- **BORROWING COST**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

- **INVENTORIES**

Inventories are valued at the lower of cost and net realizable value. Cost incurred in bringing each products to its present location and condition are accounted for as follows:-

- **Raw Materials** : Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- **Finished goods and Work In Progress** : Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. Cost is determined on first in, first out basis
- **Traded Goods** : Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Net realizable values is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.

- **TAXATION**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in Profit or Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

- **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks (other than deposits pledged with government authorities and margin money deposits).

- **CASH FLOW STATEMENT**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

- **PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

- **Provisions:** Provisions are recognized when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.
- **Contingent Liabilities:** Contingent liabilities are not provided for in the books but are disclosed by way of notes in the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.
- **Contingent Assets:** Contingent Assets are neither recognized nor disclosed in the financial statements.

- **EARNINGS PER SHARE (EPS)**

The earnings considered in ascertaining the Company's earnings per share comprise the net profit after tax (and include post tax effect of any extraordinary items.) The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average shares considered for deriving basic earning per share, and also the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

- **RELATED PARTY TRANSACTIONS**

Related party transactions are transfer of resources or obligations between related parties, regardless of whether a price is charged. Parties are considered to be related, if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial or operating decisions. Parties are considered to be related if they are subject to common control or common significant influence.

- **SEGMENT REPORTING**

Operating segments are reported in a manner consistent with the internal reporting provided by Chief Financial Officer and Director of the Company jointly and responsible for allocating resources, assess the financial performance of the Company and make strategic decisions.

The Company has identified one reportable segment "manufacturing of technical textile" based on information reviewed by them.

- **DIVIDEND**

Dividend declared is provided in books of account when the same is approved by shareholders.

• **EMPLOYEE BENEFITS:**

- **Short-term Obligations:** Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

- **Post Employee Obligations:** The Company operates the following post-employment schemes:

→ defined benefit plan such as gratuity in which the fund contributions is made to a trust as well as Employee Group Gratuity Scheme.

→ defined contribution plans such as provident fund.

- **Gratuity obligations :** The Company had an obligation towards gratuity – a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of an employment of an amount equivalent to 15 days salary payable for each completed years of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service and is payable thereafter on occurrence of any of above events. The Company has obtained an insurance policy with Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for an amounts notified by LIC and also by Company Employee Group Gratuity Scheme.

The cost providing benefit under the defined benefit plan is determined using the projected unit credit method with actuarial valuation being carried out at each Balance Sheet date, which is recognized in each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to built up the final obligation.

Re-measurements, comprising of actuarial gain or losses, the effect of the asset ceiling, excluding amount included in the net interest on the net defined liability and the return of the plan assets (excluding amount included in the net interest on the net defined benefit liability) are recognized immediately in the Balance Sheet with corresponding debit or credit to retained earning through Other Comprehensive Income in the period in which they occur. Re-imburements are not reclassified to the Statement of Profit and Loss in subsequent period. Past service cost is recognized in the Statement of Profit and Loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

→ Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and

→ Net interest expense

- **Defined contribution plans :** Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

- **Other long-term employee benefit obligations :** The employees of the Company are entitled to leave as per the leave policy of the Company. The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

- **FOREIGN CURRENCY TRANSACTIONS**

- **Initial Recognition:** On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.
- **Subsequent Recognition:** As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are reinstated at the end of accounting period. Exchange differences on reinstatement of all monetary items are recognised in the Statement of Profit and Loss.

- **FINANCIAL INSTRUMENTS:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

- **FINANCIAL ASSETS:**

- **Initial recognition and measurement:** All financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

- **Subsequent measurement:**

Classification For the purpose of subsequent measurement, the Company classifies financial assets in following categories:

Financial assets at amortised cost : Financial assets at amortized cost are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income (FVTOCI) : These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on derecognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.

Financial assets at fair value through profit or loss (FVTPL) : These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing for financial assets.

- **De-recognition**

The Company de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Any gain or loss on de-recognition is recognised in the Statement of Profit and Loss.

- **Impairment of financial assets**

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the Company measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the Company has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

- **FINANCIAL LIABILITIES**

- **Initial recognition and measurement** : All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

- **Classification and subsequent measurement** : Financial liabilities are classified as measured at amortized cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognised in the Statement of Profit and Loss.

- **De-recognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

- **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

- **FAIR VALUE MEASUREMENT**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable .

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

• Recent Accounting Pronouncements

- (i) Ministry of Corporate affairs ("MCA") has notified following amendments to existing standards under Companies (Indian Accounting Standards) Amendment Rules which are effective from 1 April 2025:
 - (a) Lack of exchangeability – Amendments to Ind AS 21
 - (b) Classification of Liabilities as Current or Non-current and Noncurrent Liabilities with Covenants – Amendments to Ind AS 1
 - (c) Supplier Finance Arrangements - Amendments to Ind AS 7 and Ind AS 107
 - (d) International Tax Reform - Pillar Two Model Rules Amendments to Ind AS 12The Company has reviewed these amendments and based on its evaluation has determined that these amendments do not have a material impact on its standalone financial statements.
- (ii) New standards or amendments not yet effective
 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1- The amendments clarify that lender waivers obtained after the reporting date cannot be considered for the purpose of classifying liabilities as current or non-current and require retrospective application in accordance with Ind AS 8. These amendments are effective for reporting periods beginning on or after April 1, 2026.

The Company has reviewed the new pronouncements and based on its evaluation has determined that these amendments do not have a material impact on its standalone financial statements.

The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.
- Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2026 was assessed to be insignificant.
- The fair values of the unquoted equity shares, if any have been estimated using a discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.

Financial Risk Management

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company uses foreign currency borrowings to mitigate foreign exchange related risk exposures.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to Bad debt is not significant. Also the Company does not enter into sales transaction with customers having credit loss history. There are no significant Credit risk with related parties of the Company. The Company's is exposed to Credit risk in the event of non payment of customers. Credit risk concentration with respect to Trade Receivables is mitigated by the Company's large customer base. Adequate expected credit losses are recognised as per the assessment.

The history of Trade receivables shows an allowance for bad and doubtful debts of Rs Nil (Nil as at March 31,2026). The Company has made allowance of Rs Nil (Nil as at March 31,2025) against Trade receivable of Rs. 11451.16 Lakhs (Rs. 13474.61 Lakhs as at March 31,2025).

Bank Deposits

The company maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The company does not expect any losses from non- performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk through credit limits with banks.

The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2026 and March 31, 2025

35 Foreign Currency risk

The Company's exchange risk arises from its foreign operations, foreign currency revenues and expenses, (primarily in U.S. dollars and British pound sterling) and foreign currency borrowings (primarily in U.S. dollars). A significant portion of the Company's revenues and cost are in these foreign currencies, while balance portion of costs are in Indian rupees. As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in rupees may decrease. The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's management meets on a periodic basis to formulate the strategy for foreign currency risk management.

Consequently, the Company management believes that the borrowings in foreign currency and its assets in foreign currency shall mitigate the foreign currency risk mutually to some extent.

The following table presents foreign currency risk from non-derivative financial instruments as of March 31, 2026 and March 31, 2025

Foreign currency sensitivity analysis

The Company is mainly exposed to the currency USD on account of outstanding trade receivables and trade payables in USD.

The following table details the Company's sensitivity to a 2% increase and decrease in INR against the USD . 2% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 2% change in foreign currency rates. A positive number below indicates an increase in profit or equity where the INR strengthens 2% against the relevant currency. For a 2% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

	For the year ended 31/03/2026	For the year ended 31/03/2025
Impact on Profit/(loss) for the year	206.52	268.63

For a 2% weakening of the INR against the relevant currency, there would be equivalent amount of impact on the profit as mentioned in the above table.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates . The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates and investments.

Interest rate sensitivity analysis

If interest rates had been 1% higher and all other variables were held constant, the company's profit for the year ended would have impacted in the following manner:

36 Capital management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows :

INDEPENDENT AUDITOR'S REPORT

To
The Members of
SHRI JAGDAMBA POLYMERS LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Shri Jagdamba Polymers Limited** (hereinafter referred to as "the Holding Company") and its Subsidiary (Holding Company and Subsidiary together referred to as "the Group"), which comprises the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated statement of Cash Flows for the year ended on that date, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements gives the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, their consolidated profit including other comprehensive Income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the circumstances and facts of the audit and entity, there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Board of Directors for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive loss, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective company(ies) and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of Consolidated Financial Statement

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013 we are also

responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include the financial statements of one subsidiary, which has been audited by us. The financial statements of the subsidiary reflect total assets of Rs. 10,228.68 lakhs as at March 31, 2026, total revenue from operations of Rs. 2,217.07 lakhs, total net loss after tax of Rs. 514.79 lakhs, total comprehensive loss of Rs. 514.79 lakhs, and net cash flows of Rs. 8.72 lakhs for the year ended March 31, 2026, as considered in the consolidated financial statements.

Our opinion on the consolidated financial statements has been formed based on our audit of the financial statements of the Holding and its subsidiary. Accordingly, our report on the Consolidated Financial Statements and our report on Other Legal and Regulatory Requirements are based on our audit of all the components included in the consolidation.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Companies Act, 2013, based on our audit of the standalone financial statements of the Holding Company and the company incorporated in India included in the consolidated financial statements, there are no qualifications or adverse remarks in the

Companies (Auditor's Report) Order, 2020 reports of such companies. Accordingly, the requirement to report on clause 3(xxi) of the Order is not applicable to the Holding Company.

2. As required by section 143(3) of the Act, we report, to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statement have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated statement of changes in equity, and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the consolidated financial statement.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to these consolidated financial statements of the holding company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
 - g) With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group to its directors during the current year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group in its consolidated financial statements - Refer Note: - 31 to the consolidated financial statements;
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding and its subsidiary Company.
 - iv) (a) The respective managements of the Holding Company and its subsidiary company which is incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, as disclosed in note 46 to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding

Company or any of such subsidiary company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The respective managements of the Holding Company and its subsidiary company which is incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, as disclosed in note 46 to the consolidated financial statements, no funds have been received by the Holding Company or any of such subsidiary company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiary, shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v) The final dividend paid by the Holding Company, during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software. Additionally, the audit trail of prior years has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective years.

**ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SHRI JAGDAMBA POLYMERS LIMITED**

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Shri Jagdamba Polymers Limited (hereinafter referred to as the "Holding Company") as at and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary ((the Holding Company and its subsidiaries together referred to as "the Group") which are companies incorporated in India, as at that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards of Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted

accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Group, which are companies incorporated in India, have maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to Consolidated Financial Statements for the year ended 31st March, 2026

CORPORATE INFORMATION / OVERVIEW:

Shri Jagdamba Polymers Limited ("Holding Company") is a public limited Company and its equity shares are listed on BSE Limited, (Bombay Stock Exchange). The registered office of the group is situated at HARMONY, 4th Floor, 15/A, SHREE VIDHYANAGAR CO.OP. HSG. SOC. LTD. OPP. NABARD, NR. USMANPURA GARDEN, Ahmedabad 380014 Gujarat, India. The group is engaged in the business of technical textiles such as Geo-textile, Construction Membranes and other Industrial packing products made from PP woven and non-woven fabrics and bags.

Global Polyweave Private Limited ("Subsidiary Company") was incorporated on 20th August 2024 to carry on manufacturing of technical textiles and holding company had subscribed 55% of equity of said company and said interest in equity increased to 80% w.e.f. 05th May, 2025.

The above two companies are collectively referred to as the ("Group").

SIGNIFICANT ACCOUNTING POLICIES:

This note provides a list of the significant accounting policies adopted by the group in the preparation of these financial statements. These policies have been consistently applied to all the years presented in these financial statements, unless otherwise stated.

• BASIS OF PREPARATION OF FINANCIAL STATEMENTS

These financial statements are the consolidated financial statements of the Group (also called as consolidated financial statements) prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard require a change in accounting policy hitherto in use. These Financial Statements are presented in Indian Rupees, which is also the group's functional currency and all amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

The group follows the mercantile system of accounting and recognizes incomes and expenditures on accrual basis. The accounts are prepared on historical cost basis, as a going concern, and are consistent with accounting principles generally accepted in India.

All the assets and liabilities have been classified as current and non-current as per the group's normal operating cycle which is based on the nature of the products and the time elapsed between the acquisition of assets for processing and their realization in cash and cash equivalents, the group has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities

• CURRENT VERSUS NON-CURRENT CLASSIFICATION

The group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of sale/lease
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The group has identified twelve months as its operating cycle.”

- **CONSOLIDATION PROCEDURE:**

Business combinations are accounted for using the acquisition method. The financial statements of the Holding Company and its Subsidiary have been combined on a line-by-line basis.

Combine like items of assets, liabilities, equity, income, expenses and cash flows.

Offset (eliminate) the carrying amount of the Holding Company’s investment in the subsidiary and the Holding Company’s portion of equity of the subsidiary.

Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between the entities. Unrealized losses resulting from intra-group transactions are eliminated in arriving at the carrying amount of assets unless transaction provides evidence of impairment of transferred assets.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated Statement of Profit and Loss, consolidated Statement of Changes in Equity and Balance Sheet respectively. The Profit or loss and other comprehensive income/loss of the Subsidiary are attributed to the owners of the Holding Company and to the non-controlling interests. Total comprehensive income of the subsidiary is attributed to the owners of the Holding Company and to the noncontrolling interests even if this results in the non-controlling interests having a deficit balance.

The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. The Group has opted to measure the non-controlling interests in the acquiree at the proportionate share of the acquiree’s identifiable net assets. Acquisition-related costs are recognized as expenses in the same year they are incurred.

At the acquisition date, all identifiable assets acquired and liabilities assumed are recognized at their acquisition date fair values. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognized and measured in accordance with Ind AS 12 “Income Tax” and Ind AS 19 “Employee Benefits” respectively.

Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise due to the acquisition are accounted in accordance with Ind AS 12.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member’s financial statements in preparing the consolidated financial statements to ensure conformity with the group’s accounting policies.

The financial statements of the Subsidiary Company, used for the purpose of consolidation are drawn up to same reporting date as that of “the Holding Company”, i.e., year ended on March 31, 2026. When the end of the reporting year of the Holding Company is different from that of the subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the consolidated financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

• LEASES

The Group, as a lessee, recognises a right-of-use asset and a corresponding lease liability for its leasing arrangements at the commencement date, if the contract conveys the right to control the use of an identified asset. The right-of-use asset is initially measured at cost, comprising the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and, where applicable, an estimate of costs to dismantle, remove or restore the underlying asset or the site on which it is located.

The Group, as a lessee, recognises a right-of-use asset and a corresponding lease liability for its leasing arrangements at the commencement date, if the contract conveys the right to control the use of an identified asset. The right-of-use asset is initially measured at cost, comprising the initial measurement of the lease liability, adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and, where applicable, an estimate of costs to dismantle, remove or restore the underlying asset or the site on which it is located.

The right-of-use asset is subsequently measured at cost less accumulated depreciation and accumulated impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of the lease term and the useful life of the underlying asset, unless ownership of the underlying asset transfers to the Group or the Group is reasonably certain to exercise a purchase option, in which case the right-of-use asset is depreciated over its useful life.

The Group measures the lease liability at the present value of lease payments that are not paid at the commencement date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If the interest rate implicit in the lease cannot be readily determined, the Group uses its incremental borrowing rate.

For short-term leases and leases of low-value assets, the Group has elected to apply the recognition exemptions available under Ind AS 116 and recognises the lease payments as an expense on a straight-line basis over the lease term, unless another systematic basis is more representative of the pattern of benefit derived from the leased asset.

The group as a lessor

Leases in which the group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease."

• ROUNDING OF AMOUNTS

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs, unless otherwise stated.

• REVENUE RECOGNITION

Revenue is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services, regardless of when the payment is being made. . However, Goods and Services tax (GST) are not received by the Group on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

- **Sale of Goods :** Revenue from sales is recognized when the substantial risks and rewards of ownership of goods are transferred to the buyer and the collection of the resulting receivables is reasonably

expected. This usually occurs upon dispatch, after the price has been determined and collection of the receivable is reasonably certain. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

- **Sale of Services** : The group recognizes revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured.
- **Other income**
- **Interest** : For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

• **PROPERTY, PLANT & EQUIPMENT**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Advances paid towards the acquisition of Property, Plant & Equipment outstanding at each reporting date is classified as Capital advances under Other Non –Current Assets and assets which are not ready for intended use as on the date of Balance sheet are disclosed as “Capital Work in Progress.”

• **DEPRECIATION/ AMORTISATION**

Depreciation on Property, Plant & Equipment is charged on Straight Line Method. Depreciations are charged over the estimated useful lives of the assets as specified in Schedule II of the Companies Act, 2013. Depreciation in respect of additions to/and deletion from assets has been charged on pro-rata basis from/till the date they are put to commercial use.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Depreciation on additions/deletions to Property plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on Property plant and equipment arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation on refurbished/revamped Property plant and equipment which are capitalized separately is provide for over the reassessed useful life.

• **IMPAIRMENT OF ASSESTS**

Property, Plant & Equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less cost of disposal and value in use.

- **BORROWING COST**

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

- **INVENTORIES**

Inventories are valued at the lower of cost and net realizable value. Cost incurred in bringing each products to its present location and condition are accounted for as follows:-

- **Raw Materials:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- **Finished goods and Work In Progress:** Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. Cost is determined on first in, first out basis
- **Traded Goods:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Net realizable values is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.

- **TAXATION**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the group operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in Profit or Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

- **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks (other than deposits pledged with government authorities and margin money deposits) with an original maturity of three months or less.

- **CASH FLOW STATEMENT**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the group are segregated based on the available information.

- **PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions: Provisions are recognized when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

Contingent Liabilities: Contingent liabilities are not provided for in the books but are disclosed by way of notes in the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent Assets are neither recognized nor disclosed in the financial statements.

- **EARNINGS PER SHARE (EPS)**

The earnings considered in ascertaining the group's earnings per share comprise the net profit after tax (and include post tax effect of any extraordinary items.) The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises of the weighted average shares considered for deriving basic earning per share, and also the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

- **SEGMENT REPORTING**

Operating segments are reported in a manner consistent with the internal reporting provided by Chief Financial Officer and Director of the group jointly and responsible for allocating resources, assess the financial performance of the group and make strategic decisions.

The group has identified one reportable segment "manufacturing of technical textile" based on information reviewed by them.

- **EMPLOYEE BENEFITS**

- **Short-term Obligations:** Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

- Post Employee Obligations:

The group operates the following post-employment schemes:

→ defined benefit plan such as gratuity in which the fund contributions is made to a trust as well as Employee Group Gratuity Scheme.

→ defined contribution plans such as provident fund.

- **Gratuity obligations**

The group had an obligation towards gratuity – a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of an employment of an amount equivalent to 15 days salary payable for each completed years of service or part thereof in excess of six months. Vesting occurs upon completion of

five years of service and is payable thereafter on occurrence of any of above events. The group has obtained an insurance policy with Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for an amounts notified by LIC and also by group Employee Group Gratuity Scheme.

The cost providing benefit under the defined benefit plan is determined using the projected unit credit method with actuarial valuation being carried out at each Balance Sheet date, which is recognized in each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to built up the final obligation.

Re-measurements, comprising of actuarial gain or losses, the effect of the asset ceiling, excluding amount included in the net interest on the net defined liability and the return of the plan assets (excluding amount included in the net interest on the net defined benefit liability) are recognized immediately in the Balance Sheet with corresponding debit or credit to retained earning through Other Comprehensive Income in the period in which they occur. Re-imbursements are not reclassified to the Statement of Profit and Loss in subsequent period. Past service cost is recognized in the Statement of Profit and Loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability. The group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense

- **Defined contribution plans**

Retirement benefit in the form of provident fund is a defined contribution scheme. The group has no obligation, other than the contribution payable to the provident fund. The group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid.

- **Other long-term employee benefit obligations**

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

- **FOREIGN CURRENCY TRANSACTIONS:**

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Subsequent Recognition: :

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are reinstated at the end of accounting period. Exchange differences on reinstatement of all monetary items are recognised in the Statement of Profit and Loss.

FINANCIAL INSTRUMENTS:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

• FINANCIAL ASSETS

Initial recognition and measurement :

All financial assets are initially recognised when the group becomes a party to the contractual provisions of the instrument. All financial assets are initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement :

- Classification

For the purpose of subsequent measurement, the group classifies financial assets in following categories:

- Financial assets at amortized cost

Financial assets at amortized cost are subsequently measured at amortized cost using the effective method. The amortized cost is reduced by impairment losses, if any. Interest income and impairment are recognized in the Statement of Profit and Loss.

- Financial assets at fair value through other comprehensive income (FVTOCI)

These assets are subsequently measured at fair value through other comprehensive income (OCI). Changes in fair values are recognized in OCI and on derecognition, cumulative gain or loss previously recognized in OCI is reclassified to the Statement of Profit and Loss. Interest income calculated using EIR and impairment loss, if any, are recognized in the Statement of Profit and Loss.

- Financial assets at fair value through profit or loss (FVTPL)

These assets are subsequently measured at fair value. Net gains and losses, including any interest income, are recognized in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition except if and in the period the group changes its business model for managing for financial assets.

• De-recognition

The group de-recognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

If the group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not de-recognised.

Any gain or loss on de-recognition is recognised in the Statement of Profit and Loss.

• Impairment of financial assets

The group applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivable, trade receivable other contractual rights to receive cash or other financial assets. For trade receivable, the group measures the loss allowance at an amount equal to life time expected credit losses. Further, for the measuring life time expected credit losses allowance for trade receivable the group has used a practical expedient as permitted under Indian AS 109. This expected credit loss allowance is computed based on provisions, matrix which takes into account historical credit loss experience and adjusted for forward looking information.

• FINANCIAL LIABILITIES

- Initial recognition and measurement

All financial liabilities are initially recognised when the group becomes a party to the contractual provisions of the instrument. All financial liabilities are initially measured at amortized cost unless at initial recognition, they are classified as fair value through profit or loss. In case of trade payables they are initially recognize at fair value and subsequently, these liabilities are held at amortized cost, using the Effective interest method.

- Classification and subsequent measurement

Financial liabilities are classified as measured at amortised cost or FVTPL.

A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in the Statement of Profit and Loss.

Financial liabilities other than classified as FVTPL, are subsequently measured at amortized cost using the effective interest method. Interest expense is recognised in Statement of Profit and Loss. Any gain or loss on de-recognition is also recognised in the Statement of Profit and Loss.

- De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on subsequently different terms, or the terms of an existing liability are subsequently modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of the new liability. The difference in the respective carrying amount is recognize in the Statement of Profit & Loss.

- **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

- **FAIR VALUE MEASUREMENT**

The group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable .

For assets and liabilities that are recognised in the financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

- **Recent Accounting Pronouncements**

- (i) Ministry of Corporate affairs (“MCA”) has notified following amendments to existing standards under Companies (Indian Accounting Standards) Amendment Rules which are effective from 1 April 2025:
 - (a) Lack of exchangeability – Amendments to Ind AS 21
 - (b) Classification of Liabilities as Current or Non-current and Noncurrent Liabilities with Covenants - Amendments to Ind AS 1
 - (c) Supplier Finance Arrangements - Amendments to Ind AS 7 and Ind AS 107
 - (d) International Tax Reform - Pillar Two Model Rules Amendments to Ind AS 12

The Group has reviewed these amendments and based on its evaluation has determined that these amendments do not have a material impact on its consolidated financial statements.
- (ii) New standards or amendments not yet effective
 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants – Amendments to Ind AS 1- The amendments clarify that lender waivers obtained after the reporting date cannot be considered for the purpose of classifying liabilities as current or non current and require retrospective application in accordance with Ind AS 8. These amendments are effective for reporting periods beginning on or after April 1, 2026.
 - The Group has reviewed the new pronouncements and based on its evaluation has determined that these amendments do not have a material impact on its consolidated financial statements.

	The management assessed that fair value of cash and short-term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying units largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.				
	The following methods and assumptions were used to estimate the fair values:				
i)	Long-term fixed-rate receivables/borrowings are evaluated by the Group based on parameters such as interest rates, specific country risk factors, individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.				
ii)	Fair values of the Group's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non- performance risk as at March 31, 2026 was assessed to be insignificant.				
iii)	The fair values of the unquoted equity shares, if any have been estimated using a discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments.				
35	Financial Risk Management				
	The Group's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables, and cash and short-term deposits that derive directly from its operations. The Group's activities expose it to a variety of financial risks: credit risk, liquidity risk, foreign currency risk and interest rate risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Group is foreign exchange risk. The Group uses foreign currency borowings to mitigate foreign exchange related risk exposures. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:				

Notes to Consolidated Financial Statements for the year ended 31st March, 2026

Credit Risk

Credit risk is the risk of financial loss to the group if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the group's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The group assesses the credit quality of the counter parties, taking into account their financial position, past experience and other factors.

Trade and other receivables

The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. In addition, receivable balances are monitored on an ongoing basis with the result that the group's exposure to Bad debt is not significant. Also the group does not enter into sales transaction with customers having credit loss history. There are no significant Credit risk with related parties of the group. The group's is exposed to Credit risk in the event of non payment of customers. Credit risk concentration with respect to Trade Receivables is mitigated by the group's large customer base. Adequate expected credit losses are recognised as per the

The history of Trade receivables shows an allowance for bad and doubtful debts of Rs Nil. The group has made allowance of Rs Nil (Previous Year Rs. Nil) against Trade receivable of Rs. 11994.62 Lakhs (Previous Year Rs. 13474.61 Lakhs).

Bank Deposits

The group maintains its cash and cash equivalents and bank deposits with reputed and highly rated bank. Hence, there is no significant credit risk on such deposits.

Investments

The group limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The group does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

Liquidity risk

Liquidity risk is the risk that the group will not be able to meet its financial obligations as they become due. The group manages its liquidity risk through credit limits. The group's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The table below provides details regarding the contractual maturities of significant financial liabilities as at March 31, 2026 and as at March 31, 2025

Particulars	As at	Less than 1 year	1-2 years	More than 2 years
Borrowings	March 31, 2026	5,107.50	865.17	3,308.86
	March 31, 2025	5,509.56	1,068.07	2,105.25

Other Financial Liabilities	March 31, 2026	371.40	-	-
	March 31, 2025	17.07	-	-

36 **Foreign Currency risk**

The group's exchange risk arises from its foreign operations, foreign currency revenues and expenses, (primarily in U.S. dollars and British pound sterling) and foreign currency borrowings (primarily in U.S. dollars). A significant portion of the group's revenues and cost are in these foreign currencies, while balance portion of costs are in Indian rupees. As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the group's revenues measured in rupees may decrease. The exchange rate between the Indian rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future. The group's management meets on a periodic basis to formulate the strategy for foreign currency risk management. Consequently, the group management believes that the borrowings in foreign currency and its assets in foreign currency shall mitigate the foreign currency risk mutually to some extent.

The following table presents foreign currency risk from non-derivative financial instruments as of March 31, 2026 and as of March 31, 2025

Foreign currency sensitivity analysis

The group is mainly exposed to the currency USD on account of outstanding trade receivables and trade payables in USD.

The following table details the group's sensitivity to a 2% increase and decrease in INR against the USD. 2% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 2% change in foreign currency rates. A positive number below indicates an increase in profit or equity where the INR strengthens 2% against the relevant currency. For a 2% weakening of the INR against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

Particulars	For the Year ended 31st March, 2026	For the Year ended 31st March, 2025
Impact on Profit/(loss) for the year	214.28	268.63

For a 2% weakening of the INR against the relevant currency, there would be equivalent amount of impact on the profit as mentioned in the

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group's exposure to the risk of changes in market interest rates relates primarily to the group's debt obligations with floating interest rates and investments.

Interest rate sensitivity analysis

If interest rates had been 1% higher and all other variables were held constant, the group's profit for the year ended would have impacted in the following manner:

Particulars	For the Year ended 31st March, 2026	For the Year ended 31st March, 2025
Increase / (decrease) in the Profit for the year	28.98	23.12

If interest rates were 1% lower, the group's profit would have increased by the equivalent amount as shown in the

37 Capital management

The group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

The group monitors the return on capital. The group's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure is as follows :
